The Social Construction of Sexuality and Perversion A. Beckmann 2009-09-29 This book deconstructs the pathologizing category of 'sadomasochism' in order to account for the 'lived realities' of consensual 'SM' play, emphasizing the connection between the corporeal and the political in contemporary consumer cultures. It discusses the homogenization of desire and ownership and use of 'body' and 'sexual ethics'.
Towards a Common European Framework of Reference for Languages of School Education? Waldemar Martyniuk 2007
Intercultural and International Business Communications Juan Carlos Palmer 2006 This volume originates from the editors' interest in one of the most relevant fields of research these days: Intercultural and International Business Communication. The needs of the business world to communicate effectively at an international level in order to overcome language differences have proved to be a fascinating topic for many scholars. International business discourse is culturally-situated and therefore context-dependent, and all three - discourse, culture and context - play a key role in the communication process. The present contributions analyse this topic under the perspective of theory, research and teaching. Different scholars have offered their views on the subject, presenting contributions on different areas related to business communication all over the world.

English Pronunciation in L2 Instruction Anna Jarosz 2019-03-21 This book provides an overview of pronunciation teaching and learning practices in secondary schools, providing insights into secondary school learners' needs, expectations and motivation regarding the importance of learning English and particularly English pronunciation. It presents a summary of the research on L2 pronunciation acquisition, teaching techniques and factors affecting the learning process as well as the results and conclusions of a longitudinal study conducted in a Polish secondary school. The study indicates that learners consider pronunciation a crucial component of English learning and a predictor of successful communication. Moreover, it shows that accuracy is highly valued by learners, and that systematic and regular pronunciation instruction, even if devoted mainly to segments, has the potential to contribute to the overall improvement in learners' communicative competence and their confidence as speakers and users of English. The book is based on the first-hand experience of a teacher-researcher.
Lingua Posnaniensis 2006
True to Life Upper-Intermediate Teacher's Book Ruth Gairns 1998-04-30 Presents a five-level course for adults, which focuses on contemporary themes, language and learning styles that are relevant to adult learners. This title includes photocopiable worksheets, tests and videos, and the ready-made lessons can be used as they stand, or adapted using the optional activities suggested in the Teacher's Book.

Integrating Engineering Education and Humanities for Global Intercultural Perspectives Zhanna Anikina 2020-05-06 This book presents papers from the International Conference on Integrating Engineering Education and Humanities for Global Intercultural Perspectives (IEEHGIP 2020), held on 25–27 March 2020. The conference brought together researchers and practitioners from various disciplines within engineering and humanities to offer a range of perspectives. Focusing on, but not limited to, Content and Language Integrated Learning (CLIL) in Russian education the book will appeal to a wide academic audience seeking ways to initiate positive changes in education.
French for Everyone Junior 5 Words a Day DK 2021-07-01 PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. Your first 1,000 French words - five words a day. Over the course of a year, French for Everyone Junior: 5 Words a Day teaches new vocabulary to children who are starting to learn French. Each week, 20 new words are presented over four days, and on the fifth day, the child can practise the vocabulary they have just learned. A mix of nouns and verbs are taught through fun illustrations and engaging scenes, with each new word clearly labelled. French for Everyone Junior: 5 Words a Day first encourages the child to copy out the words before covering them with the flaps on the jacket and testing their new knowledge. Accompanying audio means that children are also able to practise their French pronunciation as many times as they want. With over 1,000 French words, this colourful, clear, and comprehensive workbook will lay the foundations for your child's journey in learning and understanding French, at school or at home.

English in Academia Claus Gnutzmann 2008-08-20 In times of political and economic globalisation proficiency in the English language has developed into a key competence. The supremacy of English has also manifested itself in academic communication; research and teaching across all disciplines are becoming more and more anglophone. Consequently, academia and the English language as a medium of academic discourse are faced with new challenges and opportunities. On the one hand, the spread of English entails the risk of Anglo-American dominance in cultural and scientific realms leading to disadvantages for non-native speakers of English. On the other hand, English as a common lingua franca is able to function as a catalyst for international cooperation in research and teaching. The articles in this bilingual (German/English) anthology focus on discussing the advantages and disadvantages of an increasing anglophony in academia.

English as a Lingua Franca in Higher Education Ute Smit 2010-05-26 With English-medium higher education burgeoning in Europe and elsewhere outside the English-speaking world, this book is the first to offer an ethnographically-embedded analysis of such classroom discourse by taking cognizance of English functioning as a lingua franca (ELF) in international student groups. By virtue of investigating one such educational programme in its entirety, the study also enlarges the present knowledge on ELF discourse as it offers novel insights into the interactional dynamics that shape and develop an educational community of practice.

Lingua Latina per se illustrata? Ørbergs Latein-Lehrbuch in der Schule Juliane Schmid 2015-02-01 „Lingua Latina per se illustrata?“ befasst sich mit dem gleichnamigen Latein-Lehrbuch des Dänen Hans H. Ørberg. In der Arbeit werden vornehmlich theoretische Aussagen zur Anwendbarkeit dieses Lehrbuchs im deutschen, speziell aber im sächsischen Schulkontext getroffen. Grundlagen dieser Analyse sind der sächsische Lehrplan, die Schulbuchverordnung, das Lehrbuch selbst und das Lehrerhandbuch zum Schulbuch. Die Tatsache, dass Ørberg in anderen Ländern der Welt bekannt ist und dass dort gemäß seiner Vorstellung vom Lernen Lateinunterricht erteilt wird, eröffnet die Frage, warum dieses Lehrbuch in Deutschland keine offizielle Schulbuchzulassung hat. Daher wird versucht, Kriterien zur Anwendbarkeit zu erarbeiten, die anhand der zur Verfügung stehenden Materialien überprüft werden sollen. Diese Arbeit bietet einen kurzen Abriss über die Anforderungen des sächsischen Lehrplans an ein Schulbuch, eine nützliche Zusammenstellung der Inhalte des Lehrbuchs „Lingua Latina per se illustrata“ sowie Anregungen, die in der praktischen Umsetzung berücksichtigt werden sollten.
True to Life Upper-Intermediate Personal Study Workbook Ruth Gairns 1998-04-23 Presents a five-level course for adults, which focuses on contemporary themes, language and learning styles that are relevant to adult learners. This title includes photocopiable worksheets, tests and videos, and the ready-made lessons can be used as they stand, or adapted using the optional activities suggested in the Teacher's Book.
